

Total-Zymes® Plus™ Supports:

- A Healthy Digestive System
- Healthy Energy Levels
- Reduced Food Intolerance
- A Healthy Immune System
- Shiny, Healthy Coat
- Controlling Excess Gas
- Reduction of Bloating
- Healthy Joints
- Improved Iron Absorption

Total-Zymes® PLUS™ is a powerful combination of both digestive enzymes as well as systemic enzymes, plus Pro-Biotics and Pre-Biotics in a remarkably tasty chewable tablet. Total-Zymes® PLUS™ not only combats digestive problems, but adds beneficial bacteria for enhanced digestive balance and a stronger immune system. Total-Zymes® PLUS™ is the recommended solution to pet digestive problems such as: loose stools, poor skin and coat condition, sensitive stomach, hairballs, low energy, and even bad breath. To achieve **Total Digestive Health**, improve their digestion and nutrient absorption use Total-Zymes® PLUS™ at every meal - whether you feed raw, dry or table foods. Total-Zymes® PLUS™ is formulated with 14 high performance vegetarian enzymes and 11 different pro-biotics species as well as pre-biotics for complete digestive health. Each tablet supplies over 250 million CFUs of live beneficial bacteria!

Total-Zymes® PLUS™ contains L.E.A.D.S.® (Live Enzyme Activated Delivery System®). L.E.A.D.S.®, first used in human nutrition, insures complete digestion and nutrient delivery of your pet's diet at the cellular level. No other animal supplement or nutrition product can offer this unique advantage to your pet.

For Total Pet Digestive Health, it's **Total-Zymes® Plus™**

ULTRA-PET PRODUCTS
